tunex.pro

Remember the 50-30-20 Rule

Half of what you earn should
go to investments

30% then goes to desires.

We allow our clients to trade with leverage from 1:1 to 1:3000. This gives our clients the advantage of being able to apply various trading strategies regardless of their deposit size.

**Above all, allocate 20% to savings
and investments.**

With real-time collaboration, share tasks and work simultaneously to create a powerful team
